### **PROFIT WARNING**

This announcement is made by ELL Environmental Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Directors**”) of the Company (the “**Board**”) would like to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group (the “**Management Accounts**”) for the financial year ended 31 December 2016 (“**FY2016**”), the Group is expected to record a significant decrease of not less than 70% in its net profit for FY2016 as compared with a net profit of approximately HK\$40.1 million for the financial year ended 31 December 2015 (“**FY2015**”). The Board believes that the decrease in the net profit of the Group for FY2016 was mainly attributed to (1) a significant decrease in construction profit arising from the upgrade works for Rugao Hengfa Facility, which was substantially completed during FY2016; (2) a substantial increase in cost of raw materials and overhead costs in relation to the operation of the wastewater treatment facilities due to inflation of market price and utility costs, despite construction costs decreased significantly as a result of the completion of the aforesaid upgrade works; (3) that the Group is still in negotiation with the local governments for water tariff adjustments for the wastewater treatment facilities to cover the aforesaid increase in costs of raw materials and overheads for FY2016; and (4) that the Group received an one-off tax refund of approximately HK\$10.0 million from the Taxation Bureau of Rugao City in FY2015, which was not available to the Group in FY2016.
